3 WAYS TO JOIN THE TOTE

Doorstep Collection

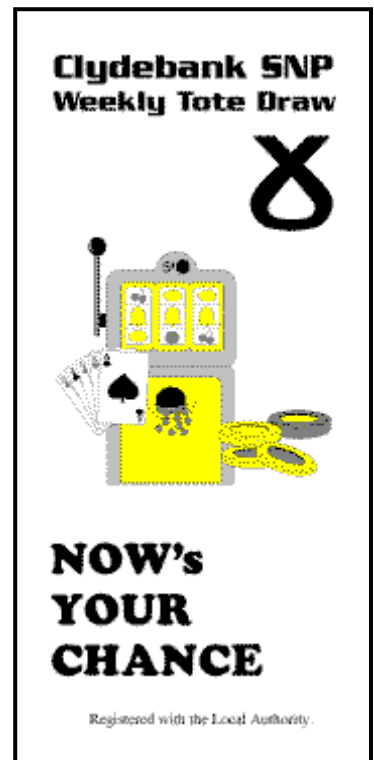

Is only available in certain areas of Clydebank, these areas are listed below. With the doorstep collect an agent will come to you each week to collect your 50p and bring with them a list of the previous week's winners and if you are one of these winners they will also bring your prize money. In most cases the tote agents are young people whom, while enjoying a good source of pocket money, also gain a feeling of independence because it is money they have earned themselves.

STANDING ORDER

For most of its 10 year history the doorstep collection was the only method available to Tote members. Now due to popular demand it is possible to take part in the Tote via a Standing Order. A Standing Order is totally under your control and can be stopped at any time. Every 10 weeks you will receive a list of the winners for the past 10 weeks through the post but of course you can check the winning numbers, no names and addresses, on this web site. If you are a winner you will receive your winnings as quick as the post can deliver them.

POSTAL

The postal service operates very much like the Standing Order service. Each 10 weeks you will receive a list of the winners for the past ten weeks. You will also receive a request for £5 per per shot for the next 10 weeks and a prepaid envelope to return it. If you are a winner you will receive your winnings as quick as the post can deliver them.
